

ElectroMart Refund and Approval Policy

Policy version 2026-01

1.1 Refund amount. A refund can never be more than the price paid for the order. Delivery charges are not refunded.

2.1 Refunds that need approval. Any refund above Rs. 5,000 must be approved by a support approver before it is confirmed to the customer.

2.2 Rejections need approval. Every rejected warranty claim or return request must be reviewed by a support approver before the customer is informed.

3.1 Customer communication. Every decision sent to a customer must name the policy clause it is based on.
